Siteco - products - exterior lighting > Building Vicinity Luminaires > Bollard Luminaires / Pillar Luminaires > CITY-LIGHT - E

CITY-LIGHT 120-E bollard luminaire mounted onto ground base, with opal glass acryl, CCG w. thermo. 1 x HSE 50 W, ballast for 2 different wattages 50/70W, switch relais, housing made of aluminium, iron mica finish (DB702S), ingress protection = IP54, class2, ignitor, digital

mounting: mounted onto ground base
 certification: VDE, ENEC
 order code: 5NA528E1MF48
 EAN: 4039806348432

electrics

lamp type: HSE
 lamps: 1 x 50 W
 control gear: CCG w. thermo.
 special features electrical: switch relais, ballast for 2 different wattages 50/70W

lighting technology

symmetry: symmetric
 enclosure: opal glass acryl

housing data

housing material: aluminium
 housing colour: iron mica finish (DB702S)
 dimensions: L: 200 mm; B: 200 mm; H: 1300 mm
 special features housing: earth mounted spike

protection

ingress protection 1: IP54
 protection class: class2
